Volunteer Guidelines:

- Volunteers in the program will be expected to dress accordingly. At Home & Life we teach the children to dress appropriately and maintain proper hygiene. It is recommended that women do not wear tank tops as Thai culture is more conservative than most western cultures.
- Volunteers will need to have a good awareness of the environment and safety of themselves and the children during their stay.
- Volunteers will be a role model for the children. Helping with cleaning and teaching the children to keep things organized will be one of the roles of the volunteer.
- Alcohol is not permitted at Home & Life.
- Any projects or activities you would like to teach the children must first be discussed with the project manager at Home & Life.
